Thank you for reaching out to the Safer Federal Workforce Task Force. Your email has been received and the team is working to provide a response. While we strive to provide a timely response, some answers may take more time as they require coordination with multiple agencies to ensure the most up to date, accurate response. We appreciate your understanding.

Your inquiry may be addressed in our FAQs. We encourage you to check them out at the [Safer Federal Workforce website](#).

Thank you,  
The Safer Federal Workforce Task Force
